This new take on a G&S classic is set against the dated and dreary Arcadia Club, in which Strephon works as bartender while his boss, The Lord Chancellor, dispenses justice. Strephon fancies waitress Phyllis but so does the boss and most of the members – all Lords. Strephon has a remarkable secret, which only his mum, Iolanthe, can reveal but it involves unmasking a shocking secret of her own, involving the highest peer in the land. An intrigue involving members of parliament, Lords and immortal fairies risks bringing down the government.
